

2024 Leadership Institute (LI)

Innovate, Inspire, Influence

August 12-13, 2024 | Nashville, Tennessee

OVERVIEW

This two-day institute is designed specifically for those who wish to sharpen their leadership skills, discover new solutions to age-old problems, or who want a jolt of fresh enthusiasm at this point in their career. The institute will also prepare high-potential employees, regardless of current position, with leadership aspirations or in newly appointed leadership roles within the higher education industry. The event will feature leadership experts, high-level executive coaching, and interaction with peers in both formal group discussions on current issues and in informal networking settings. Join us to take your career to the next level!
