## **Annual Meeting Host Committee 2008**

The Host Committee is hard at work finalizing the details of the 2008 Ft. Lauderdale CACUBO Annual Meeting. Let the warm breeze and soothing ocean welcome you to Margaritaville - our opening reception. As you participate in the excellent programming, you will also be delighted with the fine cuisine, a breathtaking location, and fantastic amenities. To wrap it up, we'll be hosting a South Beach party - CACUBO Cabana! See you there!

## **CMI**

Another energizing and enthusiastic CMI week has been completed! Miami University warmly welcomed and supported 79 Level I participants, 58 Level II participants, and 8 Alumni Experience participants as well as CMI staff and faculty! Work has already begun on CMI 2009, which will be held at Miami University May 17-22, 2009!

## **MRCC Committee**

MRCC members are developing a first time attendee program to host at Fort Lauderdale's Annual Meeting. Committee members are involved with liaison assignments within CACUBO. Plans are to network with first time attendees from St. Louis 2008 events to continue welcoming them into our organization. Two new initiatives will be discussed before the end of year.

## **Site Selection**

Tammy Martin, Cincinnati Annual Meeting Host Chair 2009 and Kathy Qualls, Program Chair 2009 have selected their committee members and are working on October 2009 CACUBO Annual meeting. A site visit by both committees in April 2008 has them busy preparing another outstanding professional development program to Cincinnati in 2009. Remember to add 2012 Annual Meeting dates on your calendar, **September 30 – October 3, 2012 for Tucson, Arizona.**
